

Extras

Kinda cute, the lass fancied herself a movie extra; yet kinda "stupid."
I'm a real guy, no contestant in a reality show; Nope, no actor playing "cupid."

Kinda slow, she finally realized I didn't treat her like a "ho."
Please pack the BS Honey, neither you or I wanta be portrayed as a "chump in a show."

Bad Boy; Sex Toy; Paranoid; I laughed at you for her reality was wallpaper in "the void."
No guts; no glory; I didn't fit her stereotype; the kinda man momma told you to "avoid."

Critics called me a Bad Ass; an M&M; I tossed out, "Hey baby, its about dollars or gold!"
She pondered it; I Saw her get squirrely eyed; Eventually she decided "Hey, I dig him for being so bold."
