

Pelirroja y Morena

Romeo, anguished soul, Juliet so tragically mistaken
Eve, serpentine temptation, humanities sensuality thus born
Delilah, lover's betrayal, Samson's strength forsaken

Bragi, rune tongued, from his mead amorous poetic rendering
Lancelot, chivalric knight, centuries ole rituals of courtship
Aphrodite, love's goddess, our passions in her hands so meddling
Cleopatra, Nile queen, your wiles one man's driving whip
Knave d'Artagnan, cunning Milady, laugh at the joust never ending
